

Full Service Broadcast Fax Services Order Package

We prefer to receive your order at least 24 hours prior to the time that you want your fax document to be broadcasted or at minimum, by 5pm the day prior to the date the fax is to be broadcasted. We can however process your job within a few hours of receiving your order. The fee for "same day" express service is \$20.00

We will make every attempt to process your job on the date and time you request. If we are unable to, we will contact you for an alternate date and/or time.

We will include your fax number to receive a confirmation copy of your fax document as it is being transmitted. Although our fax server will attempt to deliver a document 3 times, we can not ensure that you will receive a confirmation copy of your fax. There are times that the server is unable to deliver a document.

When your fax job is complete, you will receive either an email or fax confirming that your job has been completed and will provide you with your actual connect rate.

We look forward to providing you with excellence in document distribution. Have a wonderful day.
